PROFILO AZIENDALE

S.M.A.T. NORD dal 1965 produce specchi retrovisori per trattori, macchine movimento terra, autobus, veicoli industriali, motocicli e caravan.

Il nostro portfolio specchi viene implementato costantemente al fine di soddisfare tutte le richieste provenienti dai diversi settori di mercato. Gestiamo più di 2000 codici differenti ed ognuno dei nostri prodotti può essere customizzato per una perfetta adattabilità ai diversi tipi di veicoli.

Il nostro maggiore punto di forza è il nostro reparto R&D, supportiamo i nostri clienti nello sviluppo dei loro progetti dalla fase di Co-Design sino alla realizzazione del prodotto finito customizzato secondo le loro specifiche esigenze. Procediamo inoltre con l'omologazione In-House offrendo un notevole vantaggio in termini di ottimizzazione tempi e costi.

L'ufficio tecnico è in grado di dialogare con qualunque sistema informatico del cliente.

L'azienda è certificata secondo le norme ISO 9001:2015 e ISO 14001:2015

COMPANY PROFILE

S.M.A.T. NORD has been producing rear view mirrors for tractors, construction machineries, busses, industrial vehicles, motorcycles and RSV since 1965.

We manage more than 2000 different items and each of our products can be customized for a perfect fitment to your vehicles. We constantly improve our offer adding many different rearview mirrors in our range in order to meet market request.

One of our major strengths is our internal R&D Dpt. , we support our customer in their project from co-design phase to series production, offering the possibility to provide customized mirrors that meets with their specific needs. Our engineering dpt. can easily design and modify parts in short time, working with 3D stations. We proceed with the Homologation In-House, offering our customers a significant advantage in terms of time and cost optimization.

Our technical dpt. is able to communicate with any operating system of our clients.

Our company is certified ISO 9001:2015 and ISO 14001:2015.

SMAT NORD

PROFILO AZIENDALE

S.M.A.T. NORD dal 1965 produce specchi retrovisori per trattori, macchine movimento terra, autobus, veicoli industriali, motocicli e caravan.

I prodotti sono il risultato di uno studio estetico e progettuale che grazie all'esperienza maturata in 50 anni acquistano un alto valore armonico e funzionale.

Nata come azienda per parti di ricambio, nel corso degli anni si è strutturata per servire il primo equipaggiamento pur mantenendo la snellezza tipica di una piccola azienda.

La S.M.A.T. NORD collabora con i suoi clienti per lo sviluppo di nuovi prodotti, proponendo uno stile e un design all'avanguardia.

L'ufficio tecnico è in grado di dialogare con qualunque sistema informatico del cliente.

L'azienda è certificata secondo le norme ISO 9001:2015 e ISO 14001:2015

COMPANY PROFILE

S.M.A.T. NORD has been producing rear view mirrors for tractors, earth moving machines, busses, industrial vehicles, motorcycles and rvs since 1965.

Our products are a result of aesthetic and product studies which, thanks to 50 years experience, have acquired a high level of both harmony and functionality.

Born as a company dealing with spare parts, over the years we have structured ourselves to serve the first equipment while retaining the streamlined nature typical of a small company.

S.M.A.T. NORD works with its customers to develop new products, proposing avant-garde styles and design.

Our technical department is able to communicate with any operating system our clients may have.

We are a ISO 9001:2015 and ISO 14001:2015 certified company.

IL RIFLESSO DELLA QUALITÀ

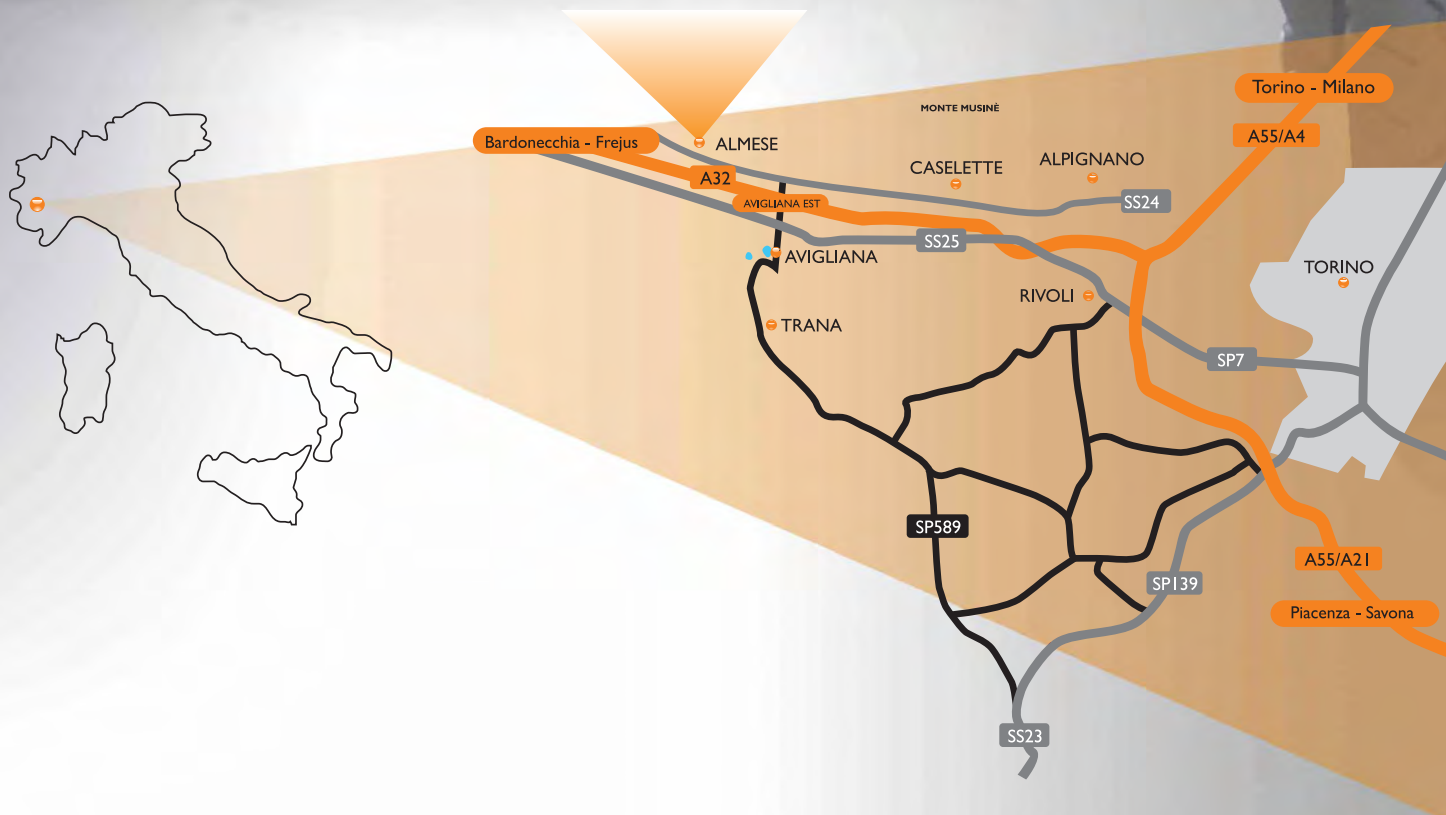

Siamo convinti che un prodotto di successo e competitivo sia il risultato dell'unione fra tradizione, innovazione e tecnologia. Questa filosofia ci accompagna dal 1965, e da allora è diventata il sigillo dell'azienda.

Lo stesso che fa dei nostri prodotti il riflesso della nostra qualità

THE REFLECTION OF QUALITY

We are convinced that a successful and competitive product is the result of combining tradition, innovation and technology. This has been our philosophy since 1965 and then it has become the trademark.

The very philosophy is consequently reflected in the quality of our products.

PROFILO AZIENDALE

S.M.A.T. NORD dal 1965 produce specchi retrovisori per trattori, macchine movimento terra, autobus, veicoli industriali, motocicli e caravan.

Il nostro portfolio specchi viene implementato costantemente al fine di soddisfare tutte le richieste provenienti dai diversi settori di mercato. Gestiamo più di 2000 codici differenti ed ognuno dei nostri prodotti può essere customizzato per una perfetta adattabilità ai diversi tipi di veicoli.

Il nostro maggiore punto di forza è il nostro reparto R&D, supportiamo i nostri clienti nello sviluppo dei loro progetti dalla fase di Co-Design sino alla realizzazione del prodotto finito customizzato secondo le loro specifiche esigenze. Procediamo inoltre con l'omologazione In-House offrendo un notevole vantaggio in termini di ottimizzazione tempi e costi.

L'ufficio tecnico è in grado di dialogare con qualunque sistema informatico del cliente.

L'azienda è certificata secondo le norme ISO 9001:2015 e ISO 14001:2015

COMPANY PROFILE

S.M.A.T. NORD has been producing rear view mirrors for tractors, construction machineries, busses, industrial vehicles, motorcycles and RSV since 1965.

We manage more than 2000 different items and each of our products can be customized for a perfect fitment to your vehicles. We constantly improve our offer adding many different rearview mirrors in our range in order to meet market request.

One of our major strengths is our internal R&D Dpt. , we support our customer in their project from co-design phase to series production, offering the possibility to provide customized mirrors that meets with their specific needs. Our engineering dpt. can easily design and modify parts in short time, working with 3D stations. We proceed with the Homologation In-House, offering our customers a significant advantage in terms of time and cost optimization.

Our technical dpt. is able to communicate with any operating system of our clients.

Our company is certified ISO 9001:2015 and ISO 14001:2015.

IL RIFLESSO DELLA QUALITÀ

Siamo convinti che un prodotto di successo e competitivo sia il risultato dell'unione fra tradizione, innovazione e tecnologia. Questa filosofia ci accompagna dal 1965 e da allora è diventata il sigillo dell'azienda.

Lo stesso che fa dei nostri prodotti il riflesso della nostra qualità.

THE REFLECTION OF QUALITY

We are convinced that a successful and competitive product is the result of combining tradition, innovation and technology. This has been our philosophy since 1965 and then it has become the trademark.

The very philosophy is consequently reflected in the quality of our products.

SMAT NORD

PROFILO AZIENDALE

S.M.A.T. NORD dal 1965 produce specchi retrovisori per trattori, macchine movimento terra, autobus, veicoli industriali, motocicli e caravan.

Il nostro portfolio specchi viene implementato costantemente al fine di soddisfare tutte le richieste provenienti dai diversi settori di mercato. Gestiamo più di 2000 codici differenti ed ognuno dei nostri prodotti può essere customizzato per una perfetta adattabilità ai diversi tipi di veicoli.

Il nostro maggiore punto di forza è il nostro reparto R&D, supportiamo i nostri clienti nello sviluppo dei loro progetti dalla fase di Co-Design sino alla realizzazione del prodotto finito customizzato secondo le loro specifiche esigenze. Procediamo inoltre con l'omologazione In-House offrendo un notevole vantaggio in termini di ottimizzazione tempi e costi.

L'ufficio tecnico è in grado di dialogare con qualunque sistema informatico del cliente.

L'azienda è certificata secondo le norme ISO 9001:2015 e ISO 14001:2015

COMPANY PROFILE

S.M.A.T. NORD has been producing rear view mirrors for tractors, construction machineries, busses, industrial vehicles, motorcycles and RSV since 1965.

We manage more than 2000 different items and each of our products can be customized for a perfect fitment to your vehicles. We constantly improve our offer adding many different rearview mirrors in our range in order to meet market request.

One of our major strengths is our internal R&D Dpt. , we support our customer in their project from co-design phase to series production, offering the possibility to provide customized mirrors that meets with their specific needs. Our engineering dpt. can easily design and modify parts in short time, working with 3D stations. We proceed with the Homologation In-House, offering our customers a significant advantage in terms of time and cost optimization.

Our technical dpt. is able to communicate with any operating system of our clients.

Our company is certified ISO 9001:2015 and ISO 14001:2015.

THE REFLECTION OF QUALITY

We are convinced that a successful and competitive product is the result of combining tradition, innovation and technology. This has been our philosophy since 1965 and then it has become the trademark.

The very philosophy is consequently reflected in the quality of our products.

PROFILO AZIENDALE

S.M.A.T. NORD dal 1965 produce specchi retrovisori per trattori, macchine movimento terra, autobus, veicoli industriali, motocicli e caravan.

Il nostro portfolio specchi viene implementato costantemente al fine di soddisfare tutte le richieste provenienti dai diversi settori di mercato. Gestiamo più di 2000 codici differenti ed ognuno dei nostri prodotti può essere customizzato per una perfetta adattabilità ai diversi tipi di veicoli.

Il nostro maggiore punto di forza è il nostro reparto R&D, supportiamo i nostri clienti nello sviluppo dei loro progetti dalla fase di Co-Design sino alla realizzazione del prodotto finito customizzato secondo le loro specifiche esigenze. Procediamo inoltre con l'omologazione In-House offrendo un notevole vantaggio in termini di ottimizzazione tempi e costi.

L'ufficio tecnico è in grado di dialogare con qualunque sistema informatico del cliente.

L'azienda è certificata secondo le norme ISO 9001:2015 e ISO 14001:2015

COMPANY PROFILE

S.M.A.T. NORD has been producing rear view mirrors for tractors, construction machineries, busses, industrial vehicles, motorcycles and RSV since 1965.

We manage more than 2000 different items and each of our products can be customized for a perfect fitment to your vehicles. We constantly improve our offer adding many different rearview mirrors in our range in order to meet market request.

One of our major strengths is our internal R&D Dpt. , we support our customer in their project from co-design phase to series production, offering the possibility to provide customized mirrors that meets with their specific needs. Our engineering dpt. can easily design and modify parts in short time, working with 3D stations. We proceed with the Homologation In-House, offering our customers a significant advantage in terms of time and cost optimization.

Our technical dpt. is able to communicate with any operating system of our clients.

Our company is certified ISO 9001:2015 and ISO 14001:2015.
